DEDICATION

Outstanding among the groups that give of time and effort for the betterment of the community is the Board of Education of Wichita Falls. This group, the elected representatives of the people, is responsible for forming the policies of the school system. It is the duty of this group to set up a proper educational program that provides the atmosphere, facilities and equipment to insure sound learning. A primary function of the board is to direct the expenditures of all funds for maintenance, expansion, payment of salaries and other expenses. An example of careful planning is evidenced by the lunch program which insures every student a hot lunch daily. Other indications of the untiring efforts of the Wichita Falls Board of Education are seen in the new schools, in additions to schools built in past years and in plans for future improvements to be made by use of the recent six million dollar bond issue.

The Coyote Staff wishes to acknowledge the remarkable work of our school board by dedicating this yearbook to these friends who guide our schools. Mr. Floyd L. Randel, president of the board for several years, takes

time from his successful business to lead the group in important decisions. Serving as vice president is Mr. Charles N. Prothro, a prominent business man in the community. Mr. John Wolf, equally busy, aids in all work and acts as secretary. Mrs. Larry J. Doing has manifested her interest in the youth of the city by taking an active part in promoting school-community relations through her position with the newspaper. Aside from his regular work as a board member, Dr. William L. Powers has been instrumental in the improvement of the tennis program of the entire city. Completing the board are Mr. Rufus King, oil operator, who acts as chairman of the Building and Grounds Committee and Mr. Clyde Fillmore, distinguished attorney, chairman of the committee on insurance, both of whom have contributed their skills in the solving of many school problems.

Since it is impossible for each student to thank them, the Coyote Staff is pleased to express for all students sincere appreciation of the unselfish devotion of this group to the direction of the Wichita Falls Schools.

SCHOOL, A WAY OF LIFE

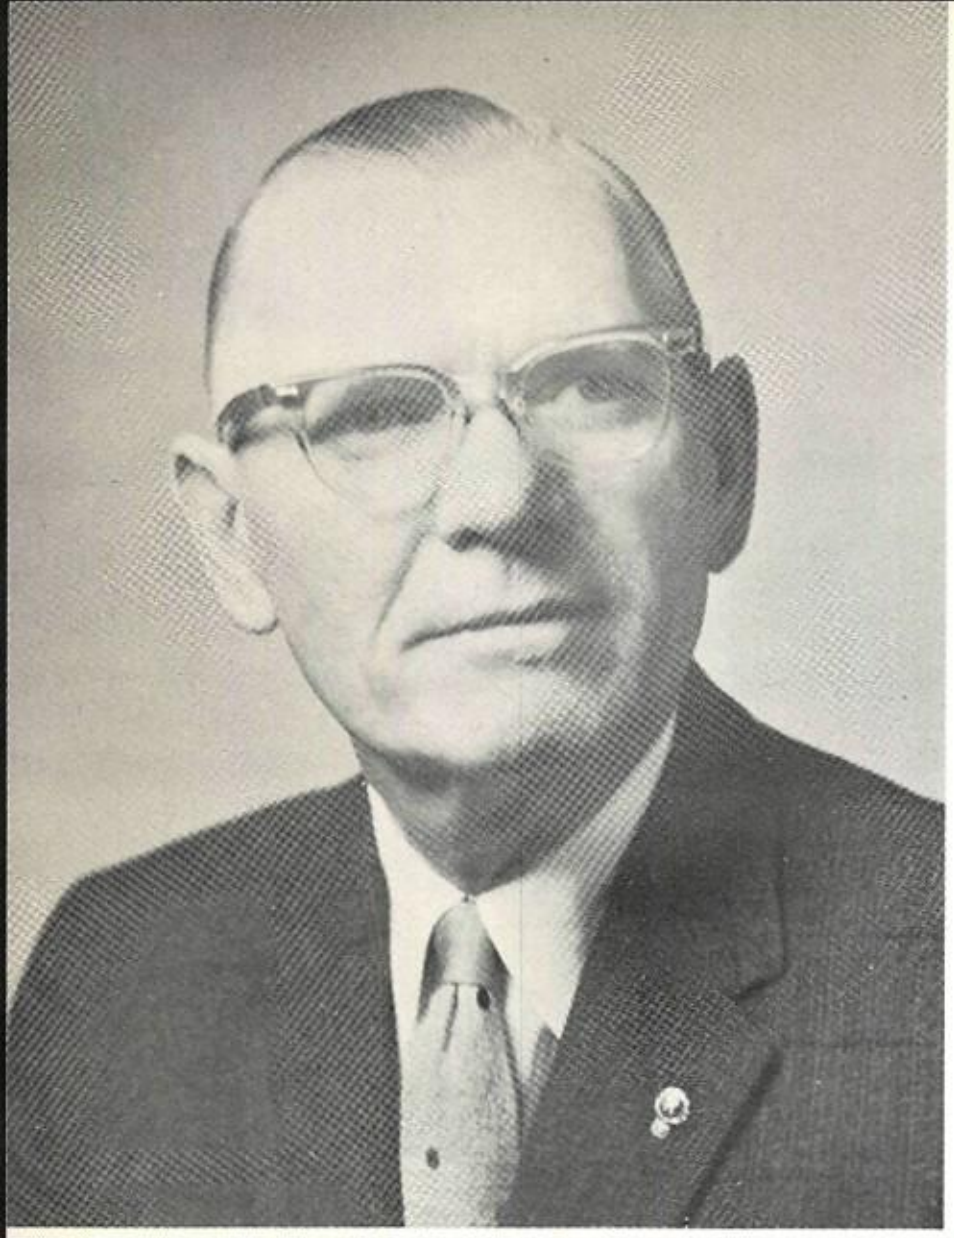
It is the wish of the 1959 Coyote Staff to present the high school in its place of importance in our environment. The city of Wichita Falls represents many different things to students. Seniors from their point of vantage survey all with satisfaction, ready to add their ideas to the expanding city. Juniors, having completed two years in WFSH, view the community as a stage set for their coming triumphant year. Sophomores see this locality as a world within itself filled with new experiences. Therefore, it is obvious that our environment plays an important part in molding the character and personality of students.

Members of the faculty, lending their support and experience, have become a valuable part of the community. Their observations and admonitions help shape many young minds. Each student gains from his instructors certain essential qualities that will make it possible to reach greater heights as citizens in later years. Moreover, our administration excels as civic leaders and religious workers, both vital elements in the structure of our American democracy as well as in our environment.

School life is not limited to the school building. Research work in the libraries, athletic events in the parks and stadiums, and recreation centers throughout the city form the background for activities that have filled this past year.

Hence, because we understand the significance of our locality, we, the annual staff of 1959, have chosen our environment of WFSH and the community as our theme. It is our conviction that every student will become gratefully aware of the assets provided for him through his own part in the events of the year. May this book ever be a record of days at WFSH and a reminder of the dreams and aspirations of high school days.

ADMINISTRATION



SCHOOL LEADERS

Mr. Joe B. McNiel, superintendent of the Wichita Falls school system, is expected to be everywhere all the time. Possessing such q u a l i t i e s as foresight, understanding, patience, and a natural incentive for helping others, he has insured advances in our schools through his leadership. In the Wichita Falls School Administration Building the coordination of all school activities goes steadily onward.

Directors of the Wichita Falls school system deserve special recognition for the duties which they fulfill. Under the direction of the superintendent, this group is constantly striving to maintain and improve the standards of Wichita Falls Schools.

OPPORTUNITIES AT HOME

As you graduate from high school and prepare to enroll in college, it might be well for you to remember that the Wichita Falls area is still a land of vast opportunity. Rich resources and fine people make this an ideal place in which to achieve the goals in life that will bring the greatest security and happiness.

The opportunities which you seek may not lie in some distant city, state or country: it is possible that they are right here. Why not plan to remain in Wichita Falls to use your mind and your skill for the benefit of your community?

There is one group not often recognized for its important part in the school life of WFSH. This group completes the duties in the offices of WFSH with the utmost speed and efficiency. Mrs. H. L. Bear is director of transcripts and of sales in the general office. Mrs. A. D. Neal performs each day the task of checking absentees and tardies. Miss Helen Grace Gould and Mr. A. D. Neal advise students about school work and college choices. These efforts keep the school running smoothly each day. Mrs. P. O. Parish, secretary to the principal, is in charge of ticket sales and accounts of WFSH. Mr. Curtis A. Siebenthall, besides training girls in proper office methods, is both coordinator of the WFSH film library and guidance counselor. Through the efforts of this group, the complexity of running WFSH is achieved cheerfully and competently.

ENGLISH

In everyday life English provides the bases for communication. The two essentials covered, reading and writing, are the means by which anyone makes an impression on others. Through the study of literature the student becomes acquainted with great authors and their observations on life itself. The cultures of this age and of past ages are presented in various ways through magazine articles, book reports and the basic textbooks. In studying grammar, the student has an opportunity to make his English of immediate practical value by its daily use. Through note taking and research papers, all learn to organize material more effectively. The importance of English today makes it a prerequisite to a happy and successful life in any field.

MATHEMATICS

Each day the average person comes in contact with mathematics. Whether it be as an astronomer, a businessman, a student in school or a housewife, mathematics is an i n t e g r a l part of his existence. Courses to accommodate the mathematical needs of every individual are offered by the department in WFSH. All math courses broaden the reasoning powers of the individual. Study of higher branches of mathematics is available to the student wishing to enter technical fields; for example, Advanced Arithmetic provides an introduction to calculus and analytic geometry. The present generation, because of the higher standards required in all fields, must have a wider understanding of mathematics. WFSH is glad to know that its math department is attempting to provide a course of study equal to that of any other high school in Texas.

SOCIAL STUDIES

Because citizens of the United States should have a knowledge of their government, this department presents a course of study which trains the citizens and leaders of tomorrow to take an intelligent part in their government. World history gives the student an understanding of past civilizations, of more recent governments and of events in their relation to present-day conditions. In American history he acquires an interest in the history of his own country and its problems today. Texas history turns the student's attention even closer to home. Civics emphasizes to him his duties as a citizen. As the world grows smaller, the importance of social studies demands that the citizens of the United States have an understanding of world affairs.

STUDY HALLS

Special tribute should be paid the study hall teachers of WFSH. Through their efforts the conscientious student has a quiet place in which he can finish his assignments or prepare for a test. The study hall directors perform what may often seem a thankless task, but certainly it is a position important to students and to the administration of WFSH.

SCIENCE

Hardly a day passes but that the science teacher in WFSH answers questions beginning with the words "How?" "What?" or "Why?" Through this interest the student gains knowledge that enables him to understand his surroundings. Biology presents a study of life, both plant and animal and encourages him to understand the living world.

Chemistry, in giving a qualitative and quantitative description of his surroundings, presents opportunity for scientific methods of thinking and experimenting. He receives further training in the use of scientific methods while attempting to verify basic laws of the universe in the physics lab. In a modern atmosphere where even headlines emphasize scientific research, this department presents a program to challenge the student to seek further training.

LIBRARY

Snider Library of WFSH is invaluable to diligent students. Here all find a wealth of old and new material to supplement their textbooks. In memory of the former principal of WFSH, the S. H. Rider Memorial Shelf has been established this year. Fifty-five magazines and many books are given each year as gifts by Mrs. C. W. Snider, whose interest in students never falters.

COMMERCIAL

Businessmen of today are ever seeking better trained young men and women to do the commercial tasks required to run an efficient business. Through such courses as typing, bookkeeping and shorthand, students acquire the skills necessary for success in this field.

Mechanical drawing and shop develop a basic interest and ability for careers in architecture, drafting or engineering. Economics and commercial law promote a sense of values in our changing society by offering information about the world of business and finance.

While performing duties necessary to the school administration, office practice students experience on-the-job training. Because of the increasing need of industry and business for individuals with specialized skills, this department emphasizes the fundamentals necessary to obtain good positions.

S.E.D.T.

Through the Safety Education Drivers' Training courses in WFSH, the student learns to drive in the proper manner. Through the use of a dual control car in which there are a clutch and brake, he puts the principles of sound driving learned in class into action. The dual controls insure safety for passengers in the car and for the beginner. The constant regard for safety instilled in the minds of the trained driver remains with the new driver when he is on the highways by himself.

LATIN

Throughout the Latin student's life, he will continually see before him the benefits from his high school language courses. Latin, in providing a foundation for the Romance languages, paves the road for the student who wishes to continue his study of languages. Latin is an invaluable aid to the prospective lawyer or doctor and even to the individual who recognizes the Latin derivations in his reading. Therein lies the value of Latin as an asset in the future years.

SPANISH

This department of WFSH, under the direction of excellent instructors, has opened new doors of interest and learning to many students. Spanish not only provides the students with a better knowledge of the people and history of the Latin-America countries but also stimulates a desire to further the goodwill and understanding between the United States and its neighbors to the south. The P.A.S.F. chapter in WFSH is an active member of the Pan American Student Forum of Texas and sends a large delegation to the state convention in Austin each year.

MUSIC

Music plays a role in everyone's surroundings that nothing can replace. Imagine a world without music! Surely it would be a world devoid of feelings. Students in the orchestra, a cappella choir, and Coyote Band gain an appreciation of music that is invaluable for the rest of their lives. Its members serve in various musical organizations and play and sing for activities of importance to the community. The fine quality of the performances given by the music department can be attributed to the caliber of the instructors. The music department of WFSH is a vital factor in the lives of citizens of Wichita Falls.

SPEECH

The beginning speech student overcomes his fear of standing before a group soon after the course begins. After learning the fundamentals of public speaking, he may advance into debate. The debate student quickly learns to organize facts and present them in a convincing manner. He may go on into Amateur Guild or the National Thespian Society where finer points of the art of dramatics are learned. Radio-TV and Stagecraft are courses for the student interested in these specific fields. Each year the speech department participates in Texas Interscholastic League competition. In past years its members have established a record that makes the school proud of its speech department.

PHYSICAL EDUCATION

"Hit the ball on your fingertips!" is the sound heard often in the girls' gym during a volleyball game. Many other cries are heard throughout the year as the girls and boys participate in volleyball, baseball and basketball. During the second semester all gym classes prepare for the gym show where a variety of exercises, sports and gymnastics are presented for the public. The importance of learning to participate in all sports in the right manner is stressed in all physical education classes.

TENNIS

A fine tennis program is offered in WFSH to the student who wishes to play tennis for pleasure or to the one who desires to compete in interscholastic competition. Under the guidance of Mr. Charles Avera and Miss Joyce Geer, the players of WFSH have made fine showings in invitational tournaments throughout Texas and Oklahoma. Besides playing other high schools, this year the Coyote Varsity has played some university teams. This past summer the Coyote Courts received a black dye on the surface that cuts down troublesome glare. The resurfacing is just one example of the constant improvements being made on the WFSH tennis program.

HEALTH

Mrs. R. E. Cole, the school nurse, has the responsibility of caring each day for those who become ill in school. It is she who determines if a student should be sent home.

Students in WFSH taking P.E. attend health classes. Under the direction of Mrs. Brode M. Puckett and Mr. Joe Bob Tyler these students acquire the basis of good grooming. Such instruction gives each student information about rules of health that he will use for the rest of his life.

HOME ECONOMICS

This course is important to the young woman of WFSH, for shortly she will most likely have her own home in which she may use daily the skills developed in homemaking. Each girl learns the scientific and practical method of planning and serving meals in the home. Sewing teaches the fundamentals of making a wearable and attractive garment. The homemaking course presents each girl an opportunity to learn something that will be of great use to her and those around her in future years.

ART

Underlying principles taught in WFSH art courses are apparent in the enviroment of everyone. These influences are seen each day in homes, advertisements, clothes and buildings. Beginning art classes learn techniques of printing, sketching, clay sculpture, painting, drawing and copper enameling. After acquiring a knowledge of the fundamentals of art, the student in WFSH may enroll in advanced art courses where he begins oil painting and advertising work. This effort is often the beginning of interests that may provide enjoyment to the student throughout the rest of his life.

ACTIVITIES

1959 COYOTE

The 1959 COYOTE is the attempt of the annual staff to bring the community and the high school into a closer relationship.

Editors, GERALD PHILLIPS and NELDA HEARD, led the group in major decisions and gave their personal supervision to every page with helpful consideration.

Color and layout for the book had the full attention of GAIL RANCIER, CYNTHIA HARVEY, and MARY ANN DUCKWORTH. Their job was difficult and exacting, but the girls emerged successful.

JULIE INMAN, JUDY KAY GEORGE and NANCY TRACY were responsible for editing of the honors section. These girls shared many important secrets in preparing their pages.

Editors

Honors

The activities section was arranged by GENE DOUGLAS, PATRICIA SISSEL, MARY ANN LESH, and BYRON DONAHO. They had the cooperation of many teachers and students in compiling the pages that show students in action.

ANNUAL STAFF

Responsible for advising the group and helping make decisions was MISS MATTYE MAE HAYNIE, our sponsor.

Tedious class sections were completed by CAROL ANN ANDERSON, LAMOINE HOBBS, NANCY SHAFFER, DAVID FAIRRINGTON, and DAVID GOFF. These students were aided by the copy checkers, JULIE INMAN and RICHARD SCOTT; but everyone on the staff helped with the endless filing necessary for the task.

DAWN DOBBINS, STEVE KIMZEY, and JIM EDD JONES combined their skills to prepare the pages of the administration division.

Photographers, TOM REYNOLDS and JIM GREENWOOD, were responsible for practically all the pictures in our book with the exception of some in the class, administration, honor, and sports divisions.

The 1959 staff sincerely believes that this book will always be an accurate and enjoyable record of the school year.

Recommended by their junior teachers of English, members of WFSH journalism class cover beats for the Coyote News and Teen Times. In addition to this work the regular study of English literature is completed and a term paper written.

Miss Louise Lipscomb, chairman of the Department of English, sponsor of the journalism class, supervises students as they cover school activities for The Coyote News and Teen Times. Preparation of ad copy is another phase of work done.

Every Wednesday the Wichita Falls Times publishes a full page with news from the junior high schools, academy and high school. Assembling copy for this Teen Times page is a task of WFSH journalists. After the page is received at the Times, Mrs. Larry J. Doing edits it and prepares the page layout.

Among the many benefits received from this study are a knowledge of publishing and an eye for accuracy and detail.

Always ready to get into the picture, these WFSH members of the fourth estate are waiting to be photographed for the 1959 Coyote.

These WFSH journalists investigate a complicated linotype machine during a visit to the Wichita Falls Times and Record News plant.

The scan-o-graver at the Times, which captured the interest of many visiting Coyote News and Teen Times reporters, is demonstrated by Mr. Al Parker.

A CAPPELLA CHOIR

One of the finest organizations in WFSH is the a cappella choir. Consisting of juniors and seniors chosen from the Mixed Chorus and the Girls' Chorus, this group represents the best in musical talent. Under the direction of Mr. Thomas Shaw, the choir has presented many fine programs and participated in several contests. The sixty-member group, in conjunction with the WFSH orchestra, presented a Christmas cantata, "Glory to God," for the Musicians' Club and a program for the Oil Belt Teachers Meeting in March.

In February the entire choir sang "This Is My Country" as a part of the finale of the band's "Variety Plus." The girls' quartet, girls' sextet and the boys' double quartet presented individual selections. The group has appeared before service clubs and church groups in the city. In All-State competition sixteen were selected to try out, and six were chosen for the All-State Choir. The group competed in the University Interscholastic League contest in April. The efforts of Mr. Shaw and the a cappella choir have enriched the musical environment of the Wichita Falls area.

The bands of WFSH, under the direction of Mr. Don Hatch and assistant direction of Mr. Bob Taylor, are an important part of school life. The Coyote Marching Band is made up of members of both concert and sophomore bands. VARIETY PLUS '59

"This Is My Country"

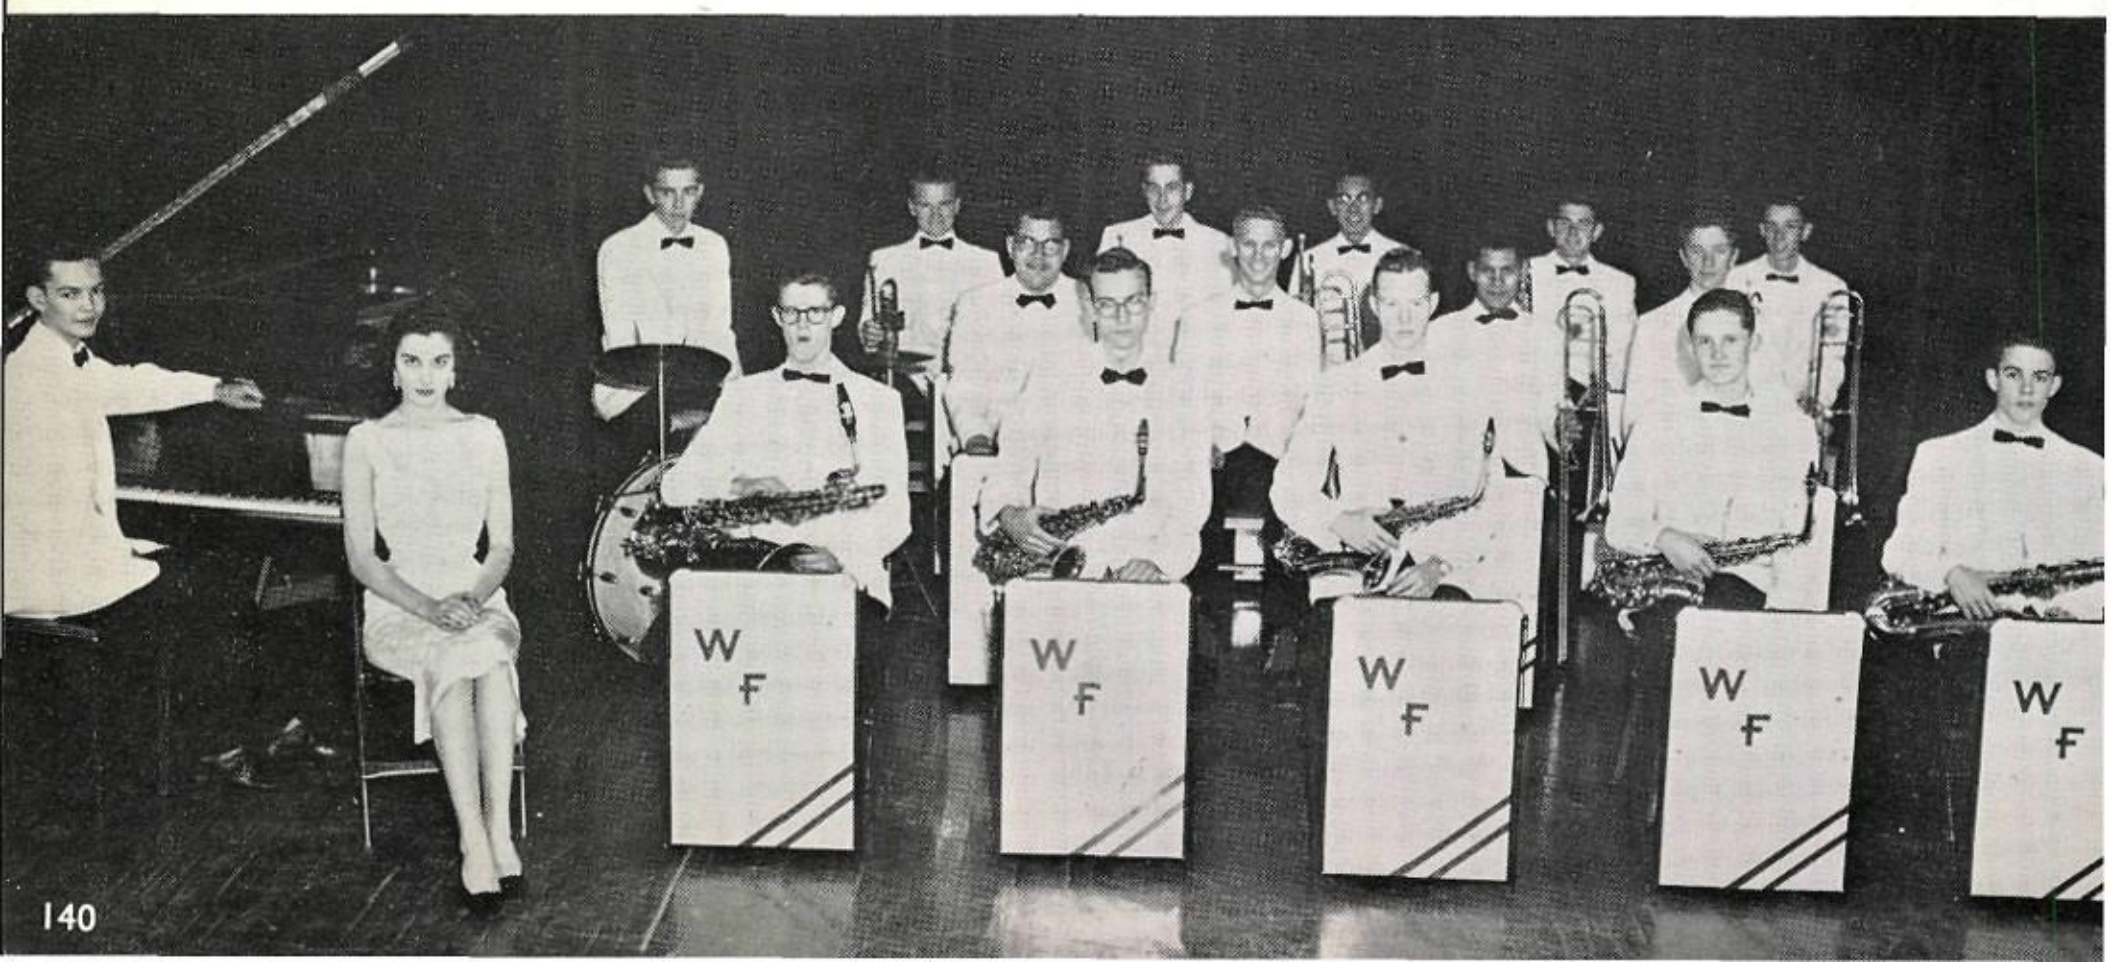
Emphasis on the entertainment trends of different eras provided the promised variety in the annual Coyote Band show, "Variety Plus." With the a cappella choir and the Coyote Band combined, Directors Thomas Shaw and Don Hatch collaborated in the thrilling climax, "This Is My Country."

Student directors included David Whitmire and Charles Leveritt, assistant. Indian dancers, torch singers, a rock 'n' roll combo, pretty chorus girls and many other variety acts depicted American entertainment from the distant past to our own day, "the frantic fifties."

"Now about that ticket to 'Variety Plus' . . ." These high-pressure salesmen are emcees of the show—Phil Grace, Colleen Kidwell, and Nolan Moore. Their "customer" is David Whitmire, director.

Band officers shown, left to right, are David Whitmire, president; Karon Nowlin, representative; Mary Ann Lesh, secretary; and Charles Leveritt, vice president; who made up the central committee for "Variety Plus '59."

Presentation of musical numbers from the "fabulous forties" on "Variety Plus" was just one of the many activities of the WFSH stage band. This group played for school dances and participated in contests and festivals.



ORCHESTRA

Participating in the WFSH Orchestra are students from Senior High as well as students from Barwise, Reagan, and Zundelowitz Junior High Schools. Experience is manifest in the excellent recitals for assemblies and special programs. Four of the accomplished musicians play in the Wichita Falls Symphony as does their instructor, Mr. Dale Brubaker.

Ten WFSH orchestra members attended Texas Musical Education Association in Galveston. The man selected to appoint the conductor for next year's T.M.E.A. is our own conductor, Mr. Dale Brubaker. Jesse Youngblood was selected as the outstanding woodwind and first chair clarinet in T.M.E.A.

MUSIC CLUB CHORAL

Students of WFSH interested in choral music join Music Club Choral. By hearing good music at club time, members learn more about compositions of the present and past ages. In this way the organization is not only an organization for entertainment but also an organ for teaching the relevance of music to each person's environment.

MUSIC CLUB INSTRUMENTAL

Through this club students of WFSH interested in music have the opportunity to appreciate the talents of their fellow students. This year the group has been entertained by the dance band and other members of the Coyote Band and the orchestra.

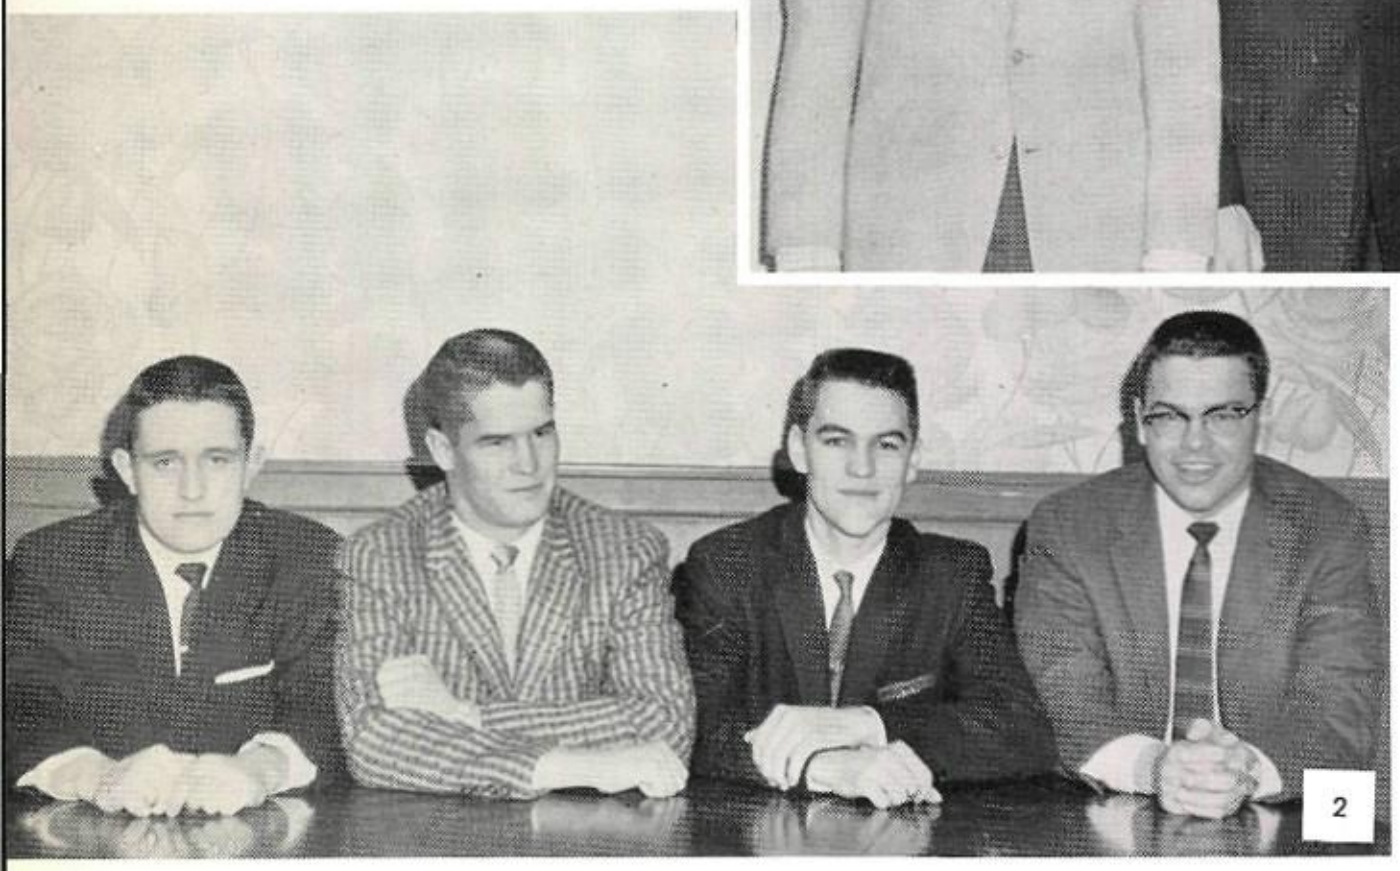
PAN-AMERICAN STUDENT FORUM



HI-Y

Under the direction of the Y.M.C.A. the Tri-Hi-Y and Hi-Y organization endeavors to fulfill their goal "to create, maintain, and extend throughout the home, school and community, high standards of Christian character."

Bringing state and national recognition to the students of WFSH, the various clubs hold weekly meetings, engage in service projects and sponsor several special parties.

The Coyote Pack, Pink Darling hospital volunteers, baskets of food for needy families and aid to the Y.M.C.A. in Bangalore, India, are results of their efforts in service projects.

Delegates from WFSH attend the fall convention in Lubbock, participate in the state Youth Legislature in Austin in December and attend Southwest Area and national meetings.

Eight clubs played host to more than five-hundred fellow Hi-Y and Tri-Hi-Y members in April at the annual spring conference held in Wichita Falls this year.

All of these activities are a part of the organization that encompasses more than three hundred WFSH students.

National Defense Cadet Corps is an elective course for qualified male students. N.D.C.C. develops the important principles of leadership, respect for constituted authority, habits of precision and orderliness. Courtesy, correctness of posture and the basic military training are other assets provided each cadet.

WFSH can well be proud because it has one of the finest N.D.C.C. Units in the state. Named for national honors for the past four years, the Unit has a distinction awarded few schools in the United States Fourth Army Area. With an indoor firing range in the Physical Education Building, N.D.C.C. at WFSH has become one of the best equipped in the southwest.

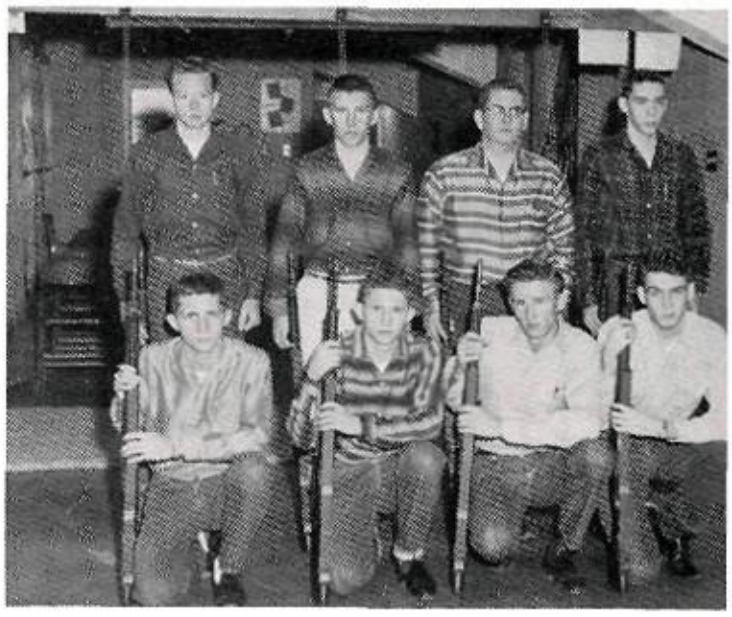
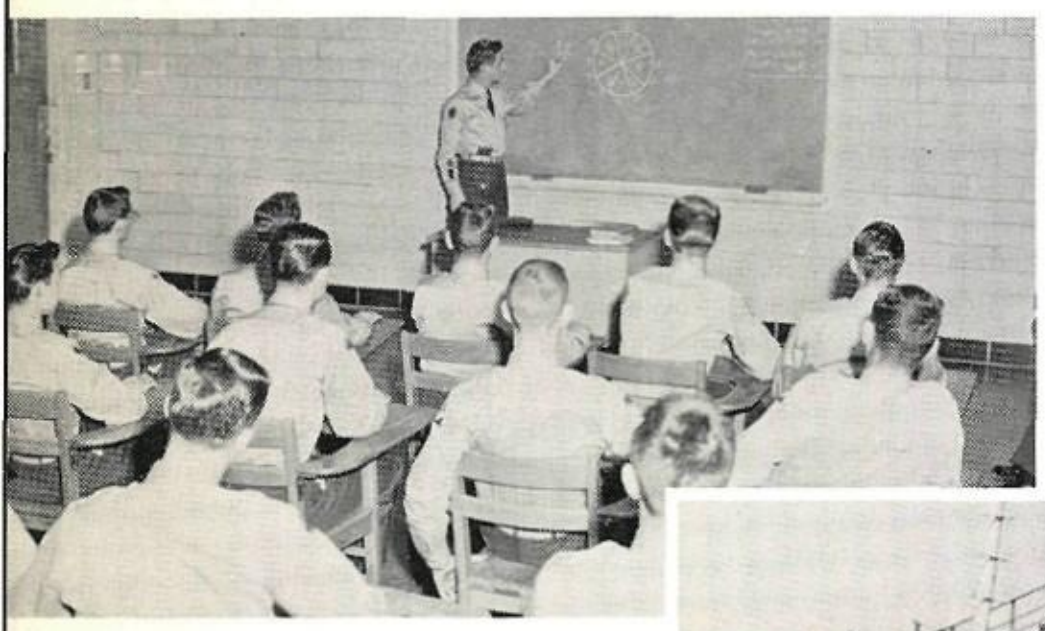
Members include, bottom row, left to right: David Fairrington, Robert Wells, Kenneth Potts, Gary Halter. Standing: Robert Spraggins, Tommy Smith, Steve Muse, and Ben Cumnock.

Several N.D.C.C. cadets display different weapons used by the Army.



The N.D.C.C. has daily sessions of classroom instruction.

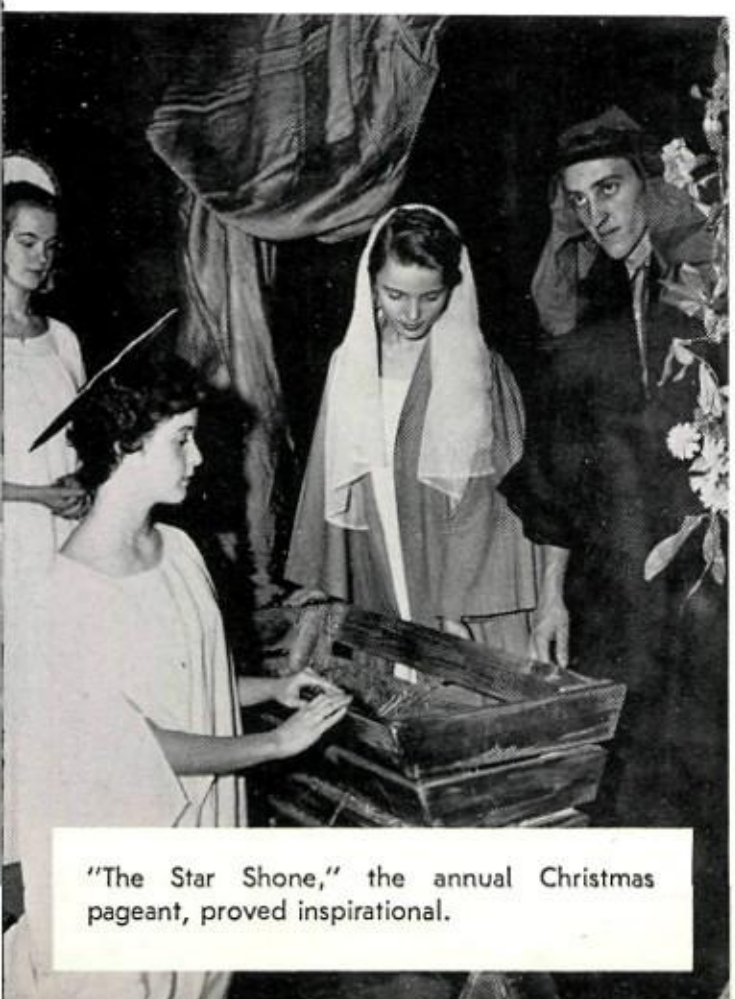


Climaxing the year's training and instruction is the federal inspection held in the spring. During the inspection the battle group is checked on neatness of individual cadets, qualities of class instruction and participation in group drill.

NATIONAL THESPIAN SOCIETY

Under the direction of Mrs. T. Richard Moss, the National Thespian Society produced two plays, gave assembly programs and participated in several panel discussions in the city throughout the year. Members of the society are pictured here at the annual Christmas party.

The officers, who gave wonderful assistance in every way possible to Mrs. Moss, include Eddie Norwood, president; Kent Womack, vice president; Ronnie Wiist, business manager; Alice Etter, national secretary; Ann Collins, local secretary; and Betsy Ross, and Ann Worrell, publicity.



"The Star Shone," the annual Christmas pageant, proved inspirational.

Success of stage productions in WFSH depends largely on the effects created by the sets for each.

AMATEUR GUILD

Amateur Guild groups work hard each season to produce one-act plays for the annual festival. Outstanding too is the annual Christmas program.

NATIONAL HONOR SOCIETY

First of all, students must achieve high scholarship to be considered for this society. After this first requisite has been determined, members of the faculty who have known the candidates vote on the character, service, and leadership traits of each. Members then achieve the goal of all ambitious honor students.

SENIOR STUDENT SPONSORS

Senior Student Sponsors, under the direction of Miss Helen Grace Gould, are chosen for their qualities of scholarship and leadership. This group acts as "big brothers and sisters" to sophomores by helping them to adjust to life at WFSH throughout the year. The group also sponsors the annual "Howdy Week" celebration.

New students and sponsors enjoy the annual party for incoming students. Pictured to the right are Gene Douglas, Pauline Hicks, Bill Wilson, Nancy Tracy, Linda Moran, Linda Costello and Pam Parish who served as committee chairmen in arranging details for the party.

GIRLS' CLUB

The Girls' Club, open to all girls in high school, meets every three weeks for interesting and instructive programs.

Chosen from the sophomore, junior and senior classes, the Girls' Club council performs invaluable services to the office staff at the beginning of the fall and mid-term semesters. In addition to delivering the Thanksgiving baskets, the council members also help to plan the all-school Valentine dance.

Each Thanksgiving the Girls' Club provides baskets of food for needy families of Wichita Falls. Pictured from left to right are Dee Ann Adair, Gloria Gonzales, Pauline Hicks, Dawn Dobbins, Lupe Lujan, Suzanne Mitchell, Carla Gray, and Darlene Adair assembling the food brought by the Girls' Club members and many homeroom groups.

FUTURE TEACHERS

The F.T.A. club of WFSH prepares its members for future vocations in the teaching profession. By doing extra work for teachers, observing in elementary schools and attending conventions, the members gain knowledge of many phases of the work involved in teaching.

INDUSTRIAL TRAINING CLUB

Programs of the Industrial Training Club encourage higher standards in both workmanship and scholarship as its members plan their careers in industry. Each year the group holds a banquet for its employers. Under the direction of Mr. Jesse J. Walla members have the opportunity to learn about chances for civic, social, and industrial advancement.

DISTRIBUTIVE EDUCATION CLUB

Through this club students are introduced to the world of business. In part-time and school work members learn more about retail work and may decide if their life occupation is destined to be in one of the business fields.

OFFICE PRACTICE

Office Practice provides an excellent opportunity for girls in WFSH wanting to gain practical office experience. While they are learning on the job, they perform services that are indispensable to students and teachers alike.

WRITERS' CLUB

An annual sellout in WFSH is "Pen Prints," a publication displaying the best compositions of the Writers' Club. Members of this group interested in creative writing strive each year to produce essays, poems or stories worthy to be printed in their own publication. In addition to this project the club donated a sum of money to the English department for the purchase of poetry recordings.

LIBRARY CLUB

Student assistants of Snider Library are members of this group. Book reviews expand the knowledge of the members in their chief area of interest, books. This year as a project, the Library Club donated several books to the library.

N.D.C.C. OFFICERS CLUB

In leading the WFSH battle group, the N.D.C.C. Officers meet to discuss problems and to plan future studies for the cadets. Under the guidance of Major H. D. Byous, the officers are striving to make the N.D.C.C. unit of WFSH a more efficient organization.

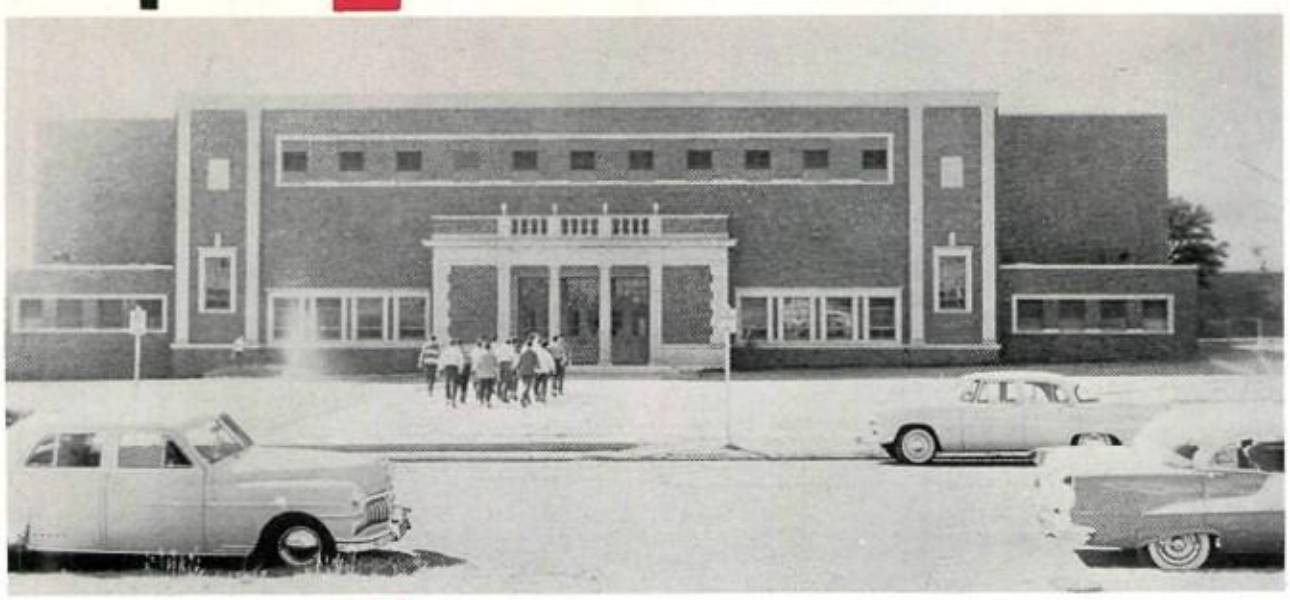
COYOTE BANQUET

After ending one of the most successful seasons in their history, the Wichita Falls Coyotes were honored at the football banquet at the Wichita Falls Country Club. Clever decorations prepared by the Coyote Mothers, who sponsor the event, added to the festive atmosphere. After the presentation of toasts, the players and the cheerleaders were awarded their jackets by Coach Golding. Following the banquet, the Coyotes and their dates enjoyed a dance which proved to be an appropriate social finale for the season.



SPORTS

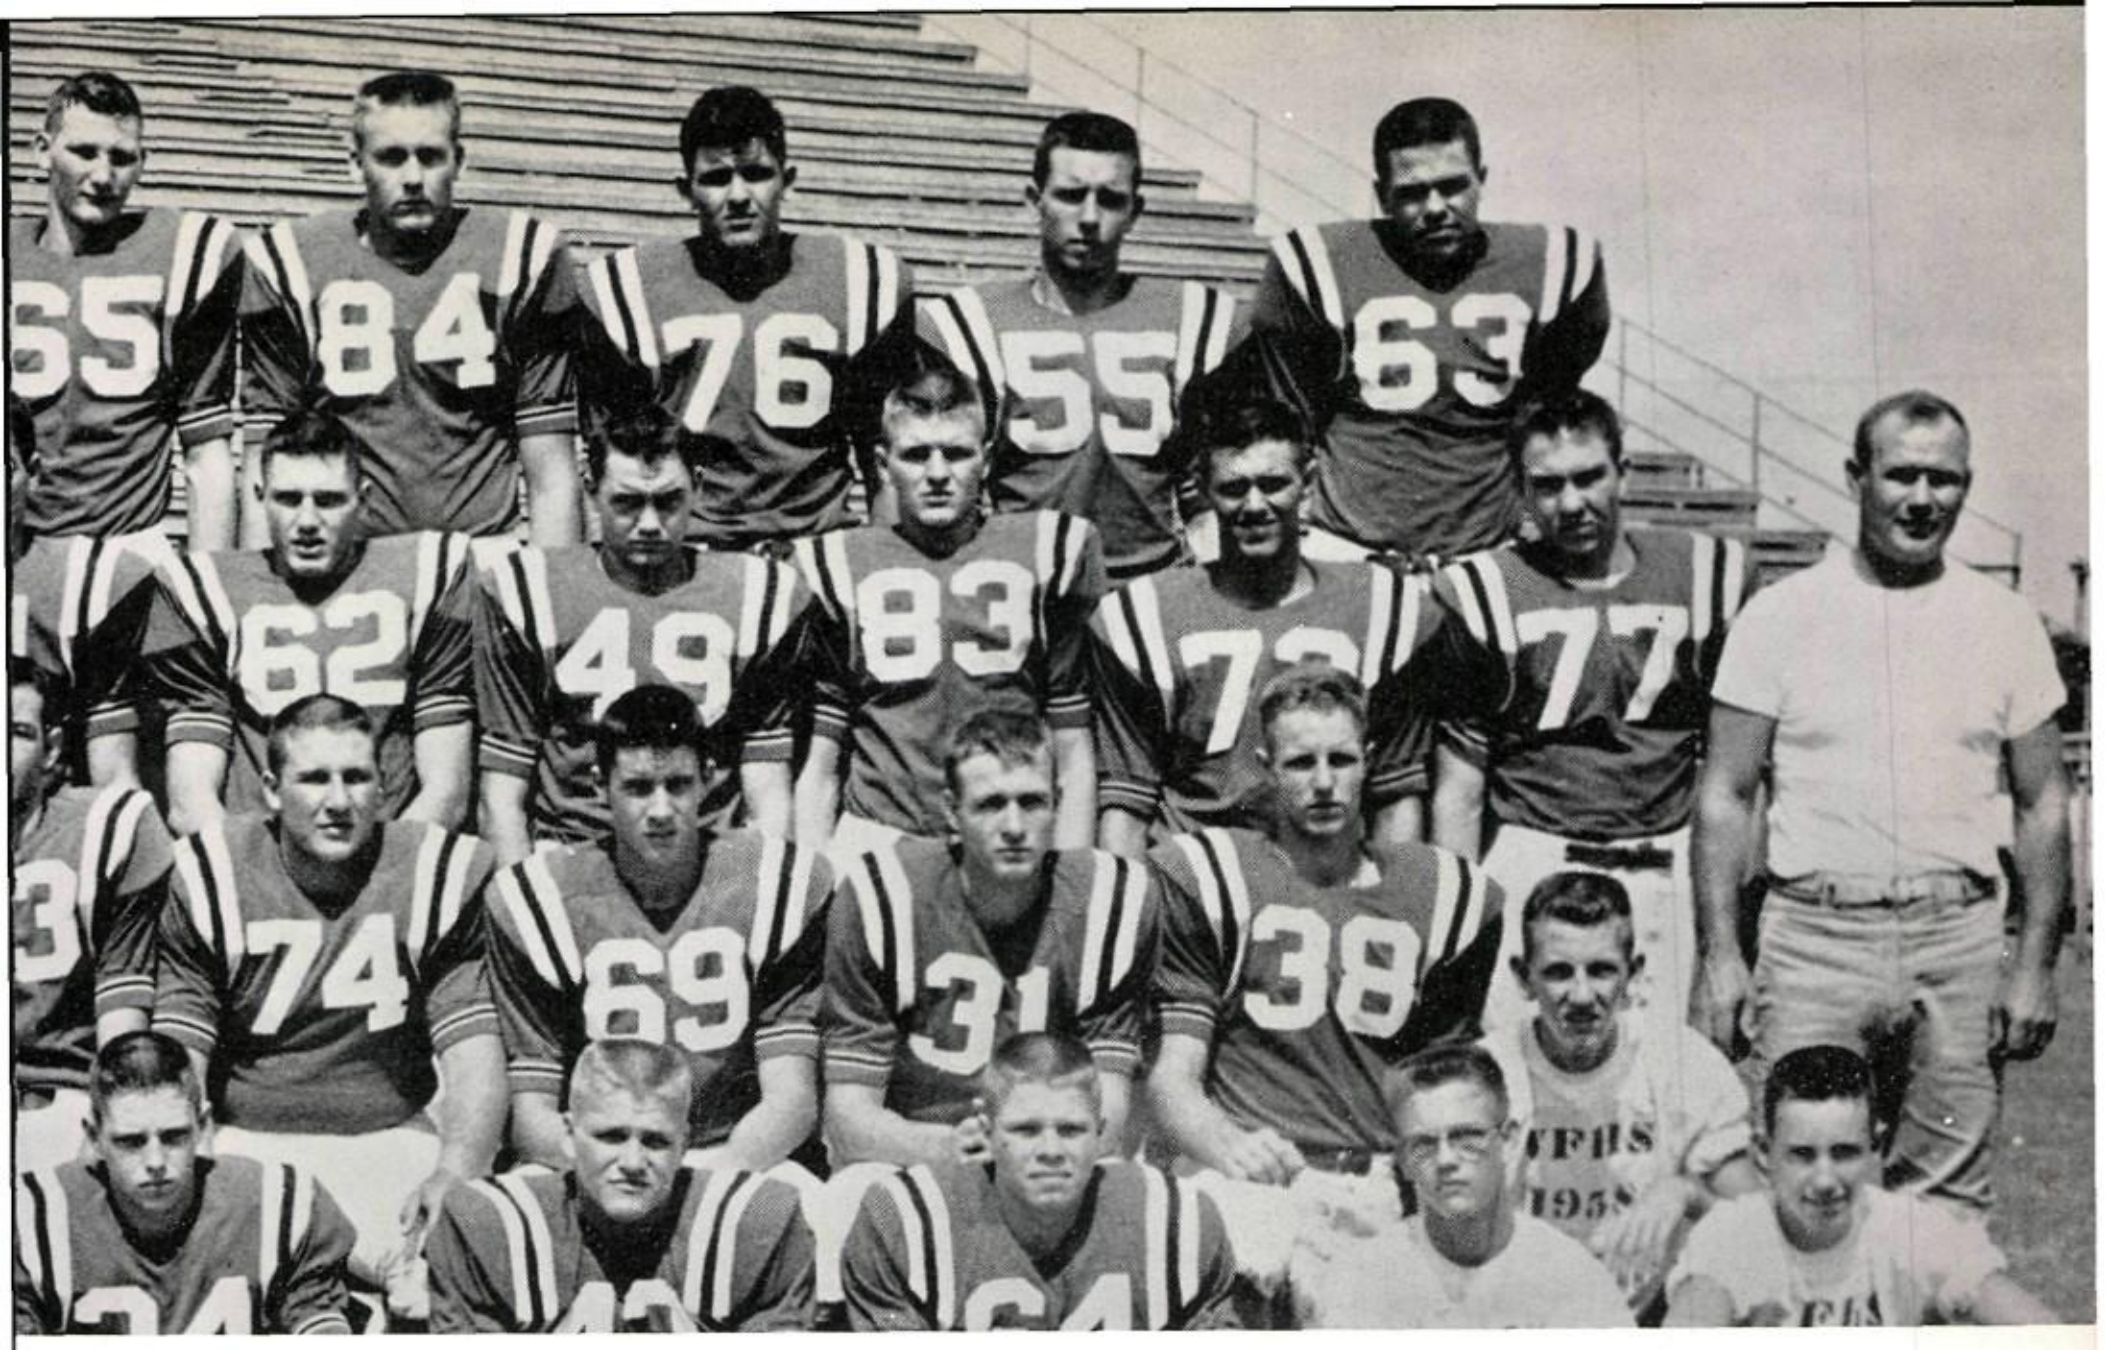
FIRST ROW: Coach Goolsby, Van Francis, Robert Edgmon, Walter Randell, Travis Reagan. SECOND ROW: John Genung, Larry Flatt, John Burnham, Bob Whaley, Louis Coles. THIRD ROW: Coach Golding, Mickey Hamilton, Jim Hoggard, Frank Bracken, James Wright, George Parry. FOURTH ROW: Steve Kimzey, Ronald McDougle, Hardy McAllister, Leland Allred, Frank Mitchell.

1958 COYOTES

Football history at Wichita Falls Senior High is rich in memories of great football teams. The 1958 version of the Coyotes wrote a new and glorious page in the books by winning the Class 4A state championship. This year's team was another powerhouse similar to those turned out in the past by Coaches Golding, Kirkpatrick, and Goolsby. They molded a raw, inexperienced group of boys into a state championship unit. However, this task would have been impossible without the determination and spirit of the boys.

After an early season loss to Breckenridge, the Coyotes came storming back. Work on fundamentals prepared the team for Vernon and Fort Worth Poly. The red and black next journeyed to Odessa, winning a heavily contested decision. The following week the pride of south Texas, Corpus Christi Miller, came to the "canyon" to do battle with the Coyotes. Miller was defeated, and the Coyotes moved into district play with an impressive record.

The Coyote's first district foe was a fairly strong Irving team, that threw many passes, keeping the Coyote defensive backs busy. The Coyotes' trip to Arlington came during the Arlington homecoming. A fired up Colt team gave some Coyote fans a scare before Arlington was defeated 24-0. The newest member of District 4A-11, Birdville, was the next obstacle in the Coyotes' path to success. On a rainy, muddy field the Buffs were dispatched with ease. The Coyotes won the district crown the next week by defeating Grand Prairie 61-0.



FIRST ROW: Roger Richardson, Morriss Heskett, David Fowler, Ken Rundell, Wallace Hardy. SECOND ROW: Gerald Gant, Bennie Shields, Butch Hunt, Jim Walker, Dickie Turner, Tommy Gullahorn. THIRD ROW: Jim Lebus, Norman Harris, Don Coker, Mark Taylor, Gary Robinson, Charles Clines, Coach Kirkpatrick. FOURTH ROW: Jim Broyles, Jim Webster, Walter Maness, Billy Allen, Charles Edgemon.

CLASS 4A STATE CHAMPIONS

On the Saturday after Thanksgiving, the Coyotes traveled to Borger for the bi-district game. An underrated Borger team proved to be one of the toughest teams the Coyotes played all year. It was a 12-6 decision in favor of the Coyotes. The next week the Coyotes again went on the road, this time to Abilene. In 25 degree weather the Coyotes defeated the mighty Eagles by a score of 34-6.

Semi-final play showed only four teams left in the running: Highland Park, Pasadena, Corpus Christi Miller, and the Coyotes of Wichita Falls. In semi-final play the Coyotes struck hard, defeating the Scots 22-14 to earn a place in the state finals. The championship of Class 4A football was played in Austin between the Eagles of Pasadena and the Wichita Falls Coyotes. This game was highlighted by flaring of tempers; however, the Coyotes held on to theirs and came out of the game both winners and state champions. The Coyotes of 1958 are to be congratulated for their behavior both on and off the field as well as for their winning season. Of them their coaches have said, "These are the greatest bunch of boys ever to pull on the red and black uniforms of Coyotes."

COACH PERRY GOOLSBY

These are the men whose skill and hard work have once again raised the Coyote banner above all others in Texas schoolboy football. The devotion of these men to the coaching profession is an asset to their characters and to our school. It is impossible to express fully the appreciation of the school and the city for both the state championship and the moral and physical training given the team.

The time and effort of which our coaches have given so freely does not cease to pay dividends when the uniforms are put away at the end of the season. The ideals which their boys build during their associations with the coaches will be carried in the hearts of each one in whatever he may do or wherever he may go.

One reason for the success of the 1958 Coyotes was the great leadership of the Coyote tri-captains, John Genung, Leland Allred and Frank Mitchell. These boys led the team on and off the gridiron. Their guidance proved to be contagious, and every boy became his own leader both mentally and physically.

During a championship season, such as the Coyotes have just experienced, many heroes are lauded and many are underrated. Such is the case of the Coyote managers. These boys worked countless hours cleaning and readying equipment for the games. However, their chores were not complete when a game began. In each game there were cuts and bruises to be treated and broken equipment to replace and repair. The '58 Coyote managers worked hard and were definitely a factor in the Coyotes' championship season. No one realizes and appreciates this fact more than the team members themselves.

These boys are to be commended for their splendid work, and the Annual Staff salutes our championship managers.

Dickie Turner finds out that what goes up must also come down.

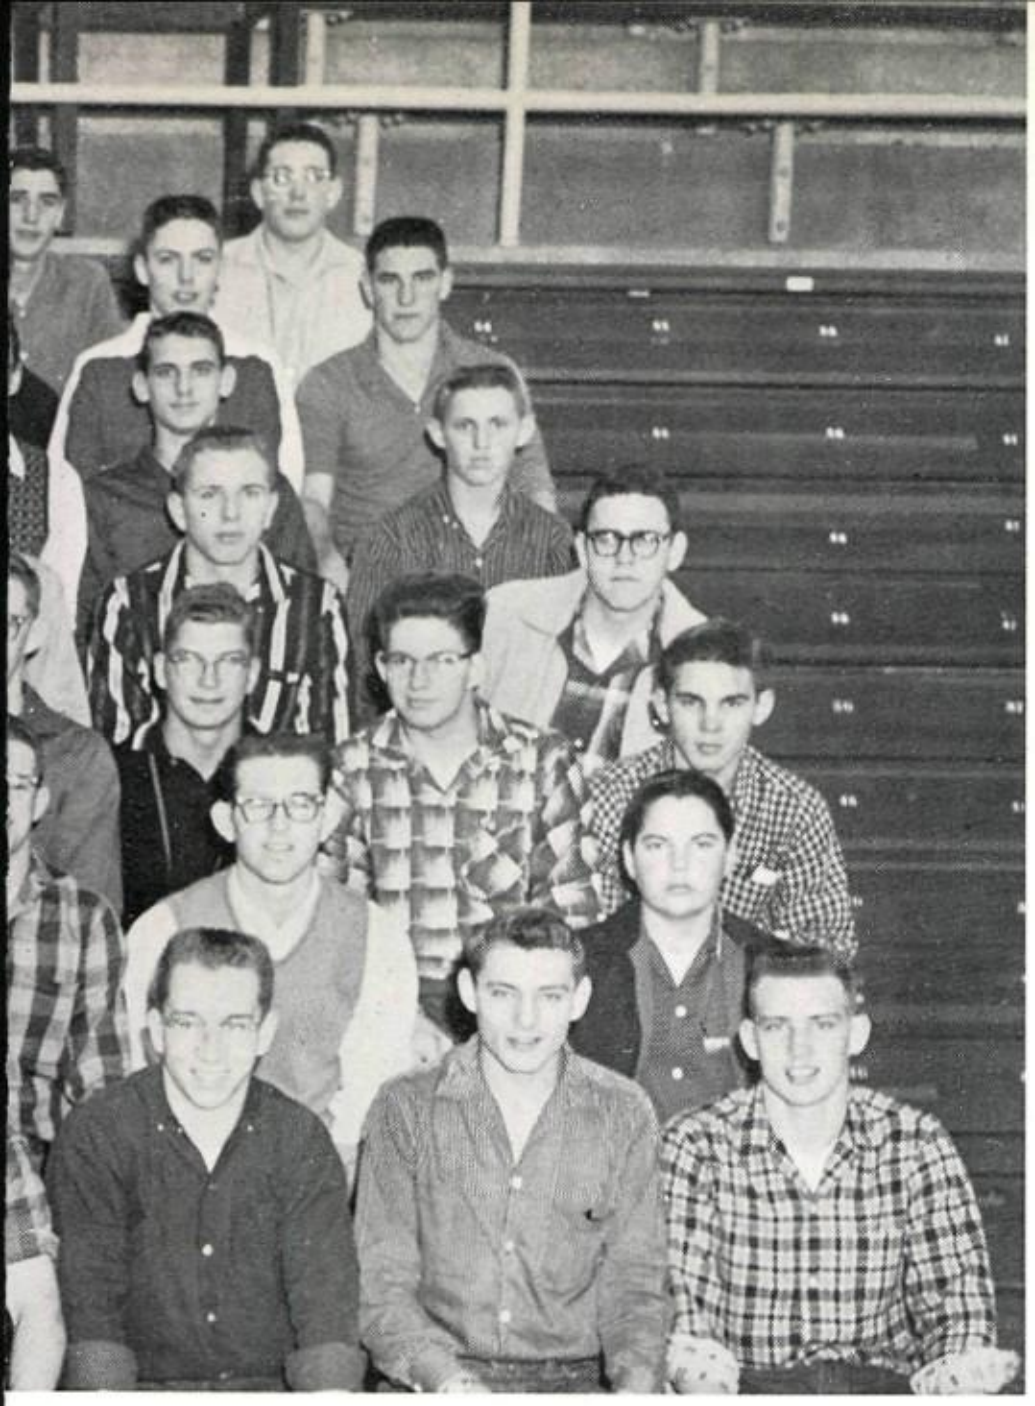
1958

Coach Joe Bob Tyler, assisted by Mack L. Keck, Donnell L. Crosslin and Joe Reed, made the '58 Rowdies an impressive team. Only two losses marred the season record. Early in the season the team lost to Holliday 33-24 and to a championship Anadarko, Oklahoma, team 22-8.



Mike Heskett, Jimmie Givens, Bill Stewart, Mark Carpenter, Don Allen, Jim Horley. FIFTH ROW: Tommy McAbee, Robert Waller, Johnny Morren, Dexter Parnell, Butch Hunn, Cliff Taylor, Manager; Gene Campbell, Ray Kaiser, Bill Pangee, Ted Egerton. SIXTH ROW: Virgil McDougle, Kenneth Blevins, Manager; Hobart Miller, Royce Harnsberger, Gilbert Igo, Bill Strachan, Jimmie Luna, Bobby Steward, Ronnie Strange. SEVENTH ROW: Joe Hair, Davy Crockett, Billy Dean, Richard Humphrey, Tommy Johnson, Sammie Copelin, Jon Jones, Robert Burnham.

ROWDIES

During this abbreviated season, the team compiled 283 points to its opponents' 79. With such a record, it is possible that these Coyotes of tomorrow may provide the needed impetus for a state championship team in 1959.

Having a prayer before and after each game, possessing determination and team spirit and playing to the best of their ability, the 1958-1959 Coyotes triumphed to a successful AAAA-4 district championship. As this book goes to press, the Coyotes' 17-5 record is the most impressive won-lost record ever made by a Coyote basketball team. The Coyotes' trip to Pampa for the bi-district championship proved to be the end of a good season for the thump-thumpers as they lost 57-37.

Although the 1958 Coyote baseball team finished only third in district play, it still had a respectable 9-7 won-lost record.

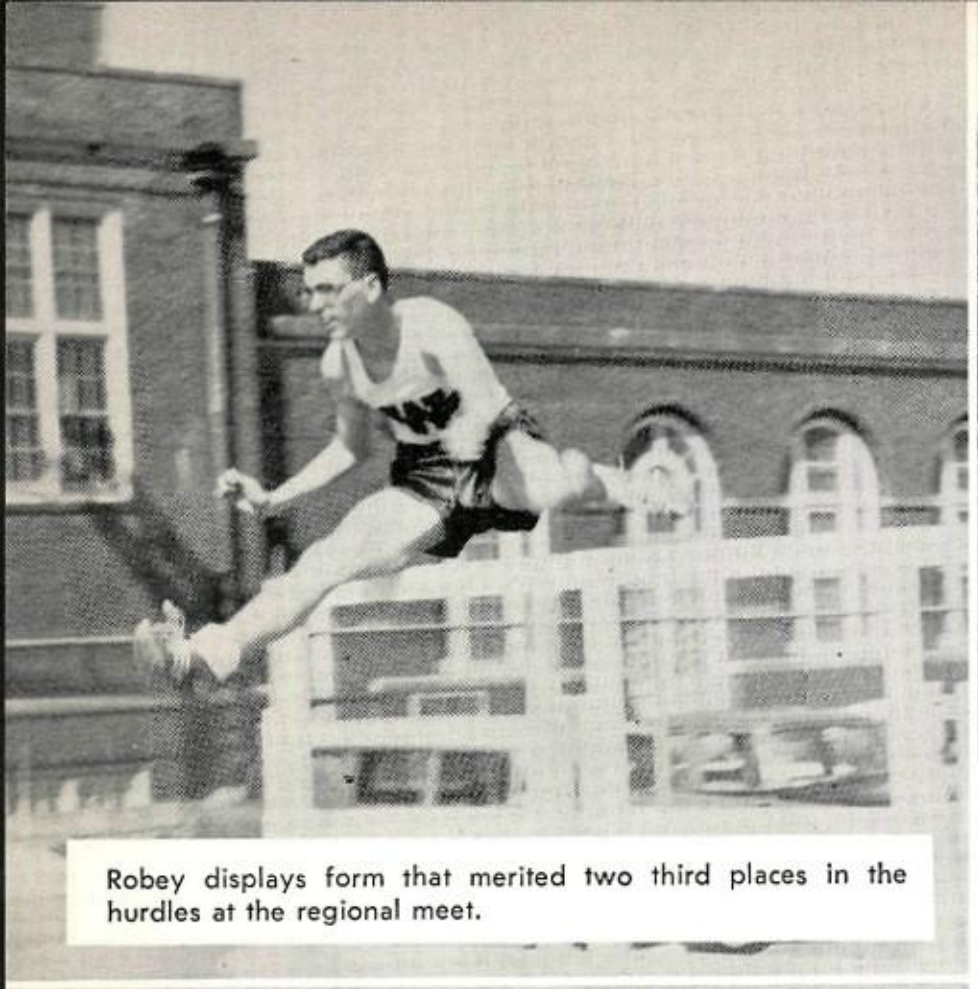
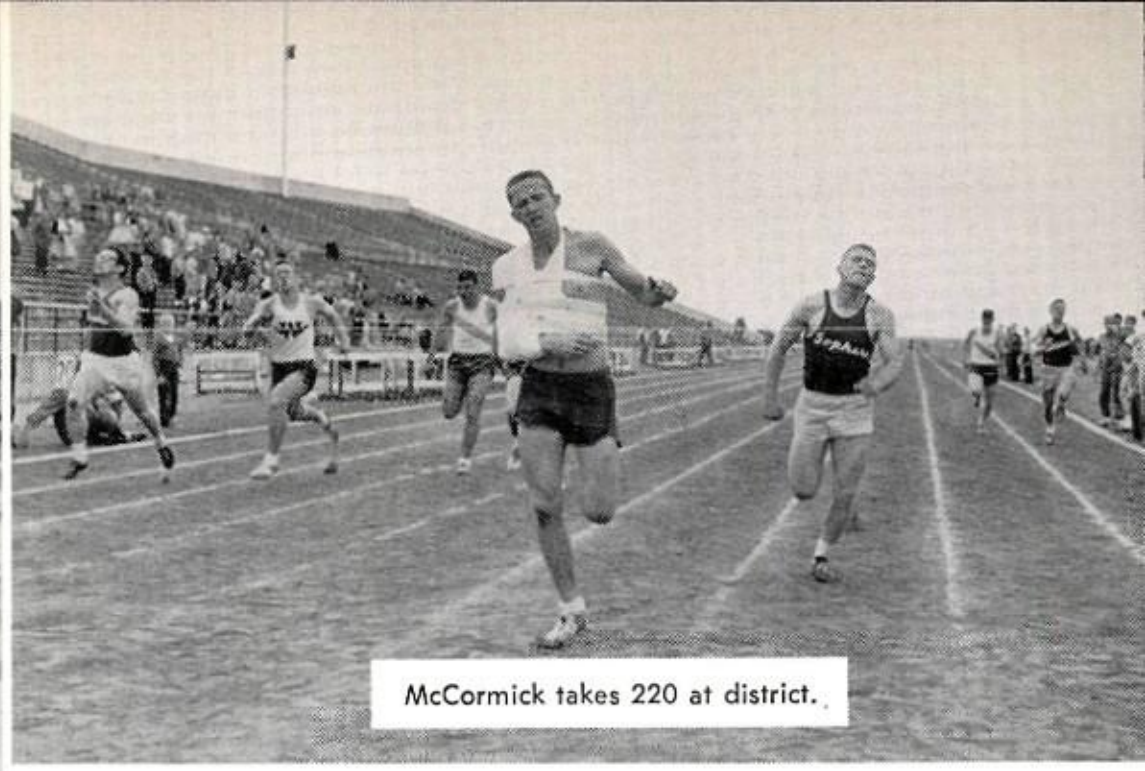
DISTRICT CHAMPS

Under the leadership of Coach Joe Reed, the 1958 Coyote track team had a successful season. Although the Coyotes were unable to compete at two meets because of rain, they won the district meet at Denton with an overwhelming total of 55 5/12 points.

Because track competitions are still being held when the yearbook goes to press, sports editors can include only the track events of the spring of 1958. Track interest has grown the past season largely because of the modern cinder path directly behind the high school.



Robey displays form that merited two third places in the hurdles at the regional meet.



McCormick takes 220 at district.

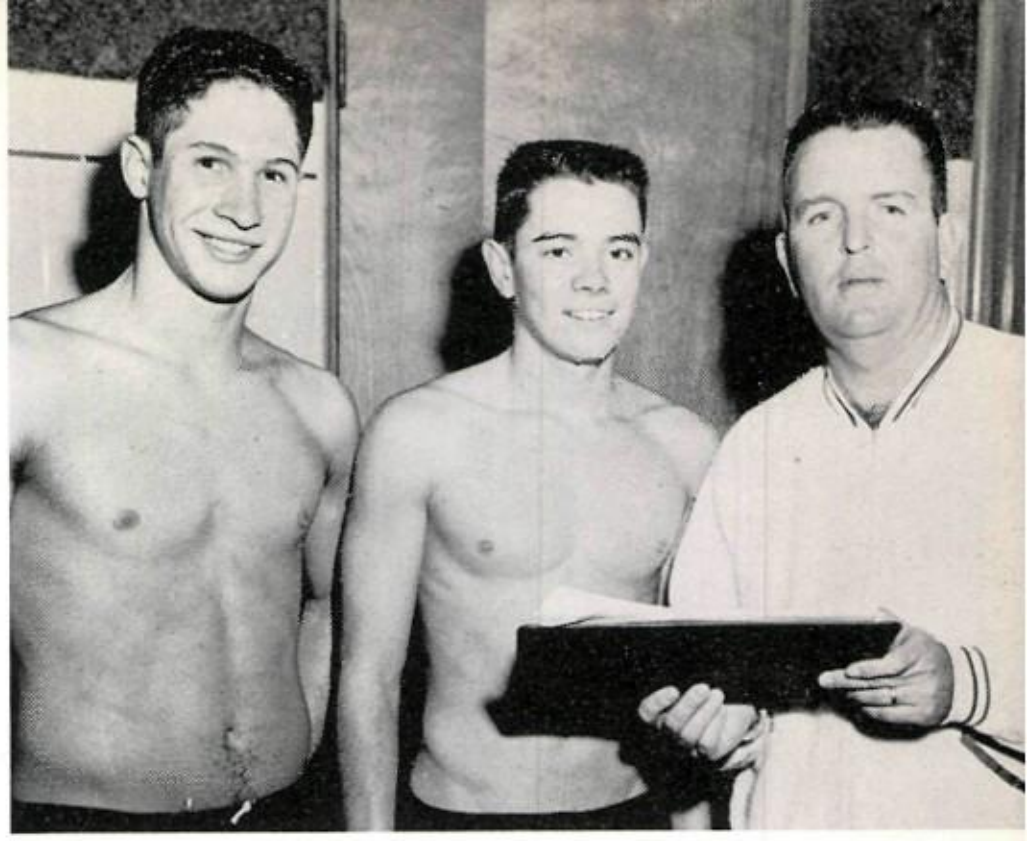
SWIMMING

SCHEDULE

January 30-31—Tulsa-Will Rogers, Edison, Central
February 13-14—Highland Park and SMU Freshmen, SMU relays
February 21—University of Texas Invitational
February 28—Wichita Falls Invitational
March 1—Highland Park
March 21—State Meet

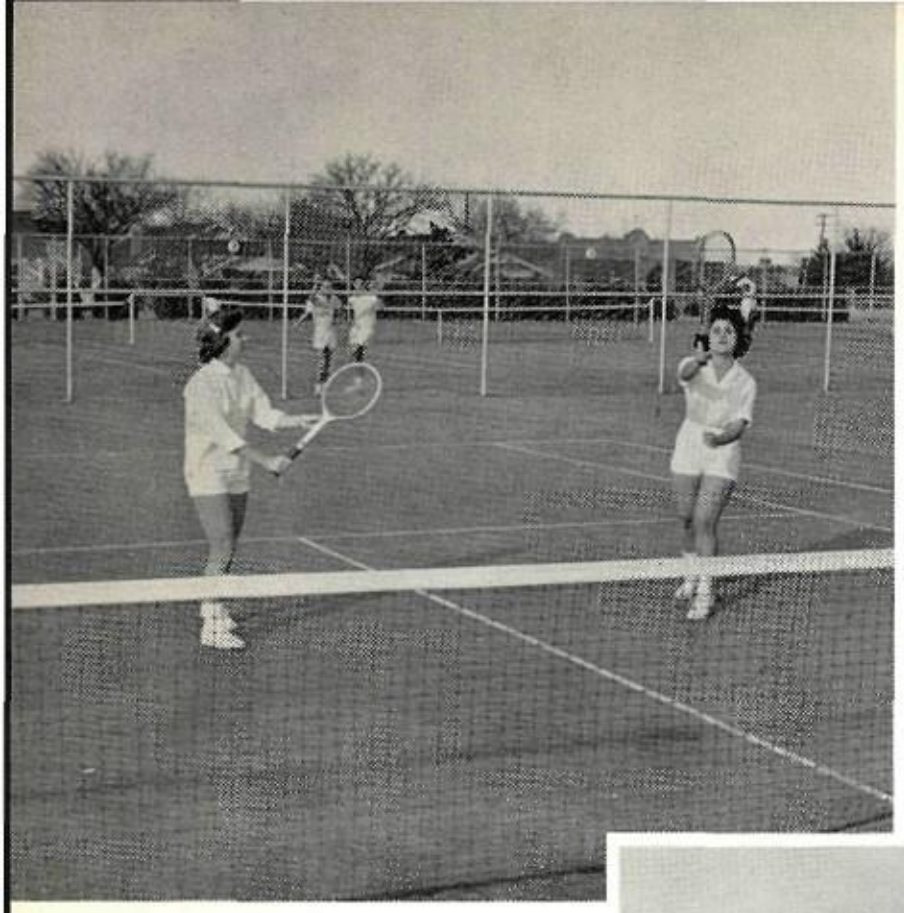
The 1959 Coyote swimming team opened this season with an intersquad meet at the Y.M.C.A. pool. The first big meet was at Tulsa, where the team swam against Tulsa Edison (the defending state champions of Oklahoma), Central and Will Rogers high schools. In the next meet of the SMU relays at Dallas, Gene Harvey, Eddie Norwood, John Harvey and Bobby Maxfield set a new record of 3:13.1 in the butterfly-breast relay from the old time, 3:23.7. Swimming has become an important sport in WFSH.



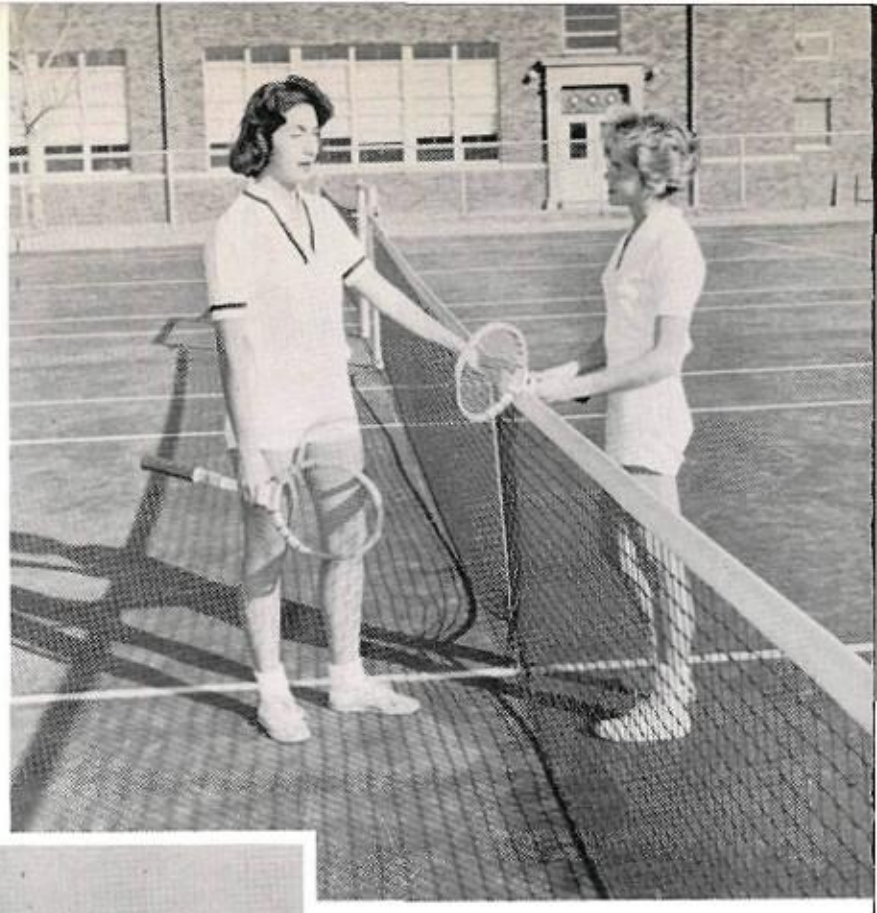
Co-captains Byron Bohnn and Bobby Maxfield are looking over the schedule with Coach Chuck Avera. Bobby has made All-American on his performance in swimming the 150-yard individual medley in 1:33.1. He broke the old record set by Don Woodward in 1956 of 1:36.4.

TEAM

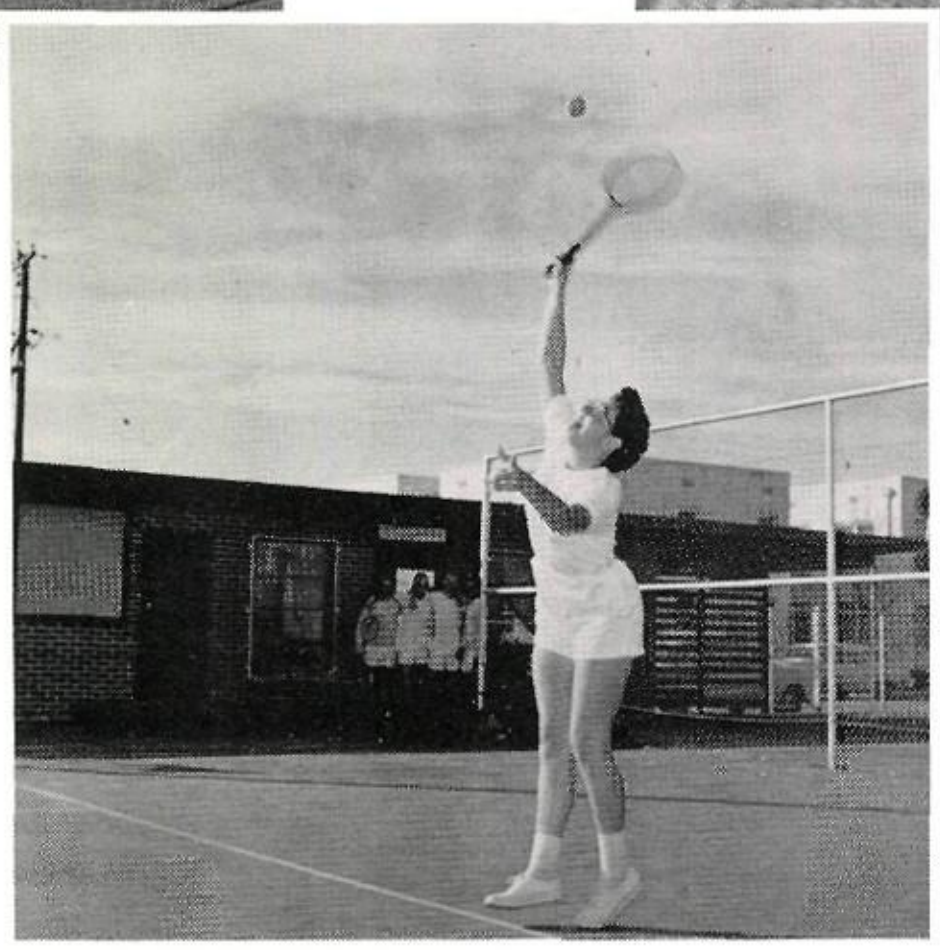
FIRST ROW: Eddy Sullivan, John Harvey, Tommy Gowan, Hugh Ruggles, Bobby Maxfield, Craig Cheshire, Allyn Arnold, Lee Underwood. SECOND ROW: Byron Davidson, Eddie Norwood, Stuart Russel, George Bishop, Ben Wilson, Byron Bohnn, Leo Johnson, Jon Jay Collins. THIRD ROW: Bobby Davis, Charles Loggie, Glenn McCune, Bronson Evans, John Brown, Bob Anderson, Gene Harvey, Robbie Robertson. Doug Shamburger is not pictured.



Pictured are possible district doubles representatives for this year—Pam Parish, a two-year letterman, and Pinky Eustice, a sophomore.



Bunny Bullington and Jimmy Bibb, who represented the red and black in district play last year, hope to improve their fine record of '58.



Lola Greaves, the girls' district singles representative in '58, displays the service that helped her win many matches for the team last spring.

COYOTE

With members from all three classes, the girls' tennis team, coached by Miss Joyce Geer, entered the season with varying degrees of playing experience. These girls trained diligently and hard for the task of winning high tennis honors for the school. From left to right, are team members Jimmy Bibb, Connie Fox, Pam Parish, Linda Gardner, Pinky Eustice, Bunny Bullington, Susan Anderson, and Lola Greaves.

Considered as the strongest tennis power in the state, the boys' tennis team, coached by Chuck Avera, is striving to win state honors for WFSH. Through two successive years of dual match competition, the boys' team has emerged undefeated. Coach Avera's high expectations rest on, from left to right, first row: Don Greer, Jim Wellman, Robert Peterson, Jim Garlick; second row: David Cummings, Mac Jones, Paul Christian, Chris Harvey; third row: Jerry Geyman, Frank Powers, Bill Berg, Bill Wilson. Lillard Jackson is not pictured.

One of the outstanding duos of Coyote tennis this year includes Paul Christian and Lillard Jackson. This fine doubles team was instrumental in winning dual matches all year.

Dear Rosemary,
You've been a wonderful

May 14, 1959

Dear Rosemary,

I have really had a lot of fun with you this whole year. We've done a lot together - at both hospitals, at school, and at home. You're real sweet and cute and one of the nicest girls I know. I know we'll continue to have fun all through school and life! After all, as we've been saying — "Our arguin' days is over." I know we'll have a lot of fun this summer at your grandmothers and at home, too. I guess I can tell Jerry now that your not going to starve - It's like he says, "It isn't all that bad."

Maybe one of these light years when you're a model and I'm a .... well something anyhow, we'll have a swanky apartment + drive 2 or 3 cadillacs. Think so, yeah, well...

Well, as I was saying, Good Luck always and God Bless you. Don't take any wooden nickels.

Love,

Lee Sinclair

Rosemary ~

We've known each other all through our school life. Now that we're in high school we must realize that that life is almost ended. It's been a wonderful time that we've spent together; even though it's had its ups and downs.

Words can't express the good wishes & hope for you nor the high esteem I hold for you. Perhaps you can guess... Nevertheless I'll try to tell you on this small (:; page.

You are a wonderful beautiful young lady who will find her place in the world among other "<u>celebrities</u>". May lady luck walk with you always, and may God bless you —

We have been good friends for about two years, now, and I know we will be in years to come. Haven't we had a blast in Plane Geometry? We were always so good about getting all of our homework done. And we made such good grades too. I hope you are lucky(?) enough to get in one of my classes next year. I would write more but I know you are hungry. Talk to you later.

You are the most wonderful person I've ever met. You have the best personality I've ever seen. You are real pretty and sweet. Last year was more fun than any year I've ever had.
